Or if arranged upfront with the school director:

B. Monthly Plan: 35% on or before the day of registration. 35% after the first 4 weeks. 30% after another 4 weeks.

### **LATE PAYMENTS**

No late payments are allowed for students doing their very first school with YWAM Worcester.

No student will be allowed to stay on a school beyond the 3rd week if no payment is received.

Late payments may be allowed in instances other than the first should satisfactory arrangements are made with the school leader.

Late payments may be subject to a 10% penalty.

### **METHOD OF PAYMENT**

Due to the volatility of our Rand against most other major currencies this base now works only in our local currency. We are however in a position to take any foreign currency and bank this and credit you with its value on the day we do the transaction.

### **SCHOLARSHIPS**

As our prices are among the lowest, there can be no further reduction on the fees. Since YWAM is an international, interdenominational, multilingual, and multiracial organization, the fee schedule takes all of the above factors into consideration in order to make university level education accessible to applicants meeting the requirements for admission. We view the higher fees paid by students from more advantaged communities as their contribution to the process of empowering others who are less fortunate. Such generosity is always a welcome return to our founding values. Further more, we deeply appreciate the participation of students who feel the way we do about helping the needy.

NB: Should a student not complete a school the international refund policy on page 29 of the University of the Nations catalogue, 2008-2010 will be applied to the student's refund claim.

### **COSTS FOR OUTREACHES:**

These costs are separate from the lecture phase and will differ depending on where the outreach will be.

**Please Note: ALL prices are subject to change without prior notice.**
